MCA test results/NWEA Test results               <ol style="list-style-type: none"> <li>a. Thomas shared the MCA test results. The goal was 25% in reading, and 21% in Math, 50% from fall to Spring. Next year NMA will set a science goal. This year was a starter band for the school.</li> <li>b. 6th grade continues to be an area of growth for us. Great growth in science for 5th grade.</li> <li>c. Outperform our projection for our NWEA scores.</li> <li>d. There was growth but we did not meet our goal growth for this year.</li> <li>e. NWEA, we did not meet our 50% growth goal but we were very close. Science</li> </ol> </li> </ol>	<p>Next Steps:</p> <ol style="list-style-type: none"> <li>1. How do we close the gaps with our scholars who are 5 points away from getting our goal?</li> <li>2. What interventions do we need to put in place to help us reach our goals?</li> <li>3. Changing Math curriculum next few years as they do not follow our MN standards right now.</li> </ol>						

	<p>did make the goal of 50% but Math and Reading were 5% off.</p> <p>f. Scholars are growing but not growing in proficiency.</p> <p>3. Hmong Test results</p> <p>a. Preliminary results - positive growth in all classes except for 5th grade. Khou is still analyzing the data. 25% average growth. 75% of scholars from fall to winter made growth.</p> <p>b. Phase 0 - planning year to figure out a strategic plan for a dual language/ track program to start the growth of having one class start, then moving onto another class the next year.</p> <p>c. The 4 and 5th grade books should be ready and planning to complete the 6th grade Hmong workbook.</p> <p>4. Afterschool</p> <p>a. All programs will be done after today.</p> <p>b. After school programs are why families stay and why people come to our school. We want to have strong robust programs here at NMA in order to recruit more students.</p>
