Subject: NMA's Summer Program 2024

Dear NMA Families,

NMA is thrilled to inform you that NMA's summer program for July 2024 is confirmed and will happen this summer! We invite you to register your child for this wonderful opportunity to continue their learning journey during the summer break. NMA's summer program offers a unique blend of academic reinforcement, hands-on learning experiences, and fun-filled activities. It's a fantastic way for scholars to:

- Prevent summer learning loss and maintain academic progress
- Explore new interests and subjects in a supportive environment
- Develop critical thinking skills and foster a love for learning
- Build friendships and social skills with peers

Here are the key details you need to know:

- **Session Dates:** July 9th - August 1st (Tuesdays, Wednesdays, and Thursdays only)
- **Student Hours:** 8:00 AM - 11:30 AM
- **Transportation:** Transportation will be provided if families live in NMA's transportation boundary.

Spaces are limited, so we encourage you to secure your child's spot as soon as possible. Seats for summer programming will cap at 30 students at each grade level and will be reserved on a first come, first served basis. Families will receive an acceptance letter to confirm their child's seat in the summer program.

Here are the details for registration:

- Registration will only be available digitally. If you need support filling out the registration form, please contact the main office at 763-235-7900.
- Register using several options:
 - Register on NMA's website: nmaedu.org
 - Register using the QR code on the right.
 - Register using this link directly: [LINK](#)

Our dedicated team of instructors and educational assistants will be working diligently to provide a supportive and engaging learning environment for your child. Thank you for your ongoing support and involvement in your child's education. If you have any questions or require further information, please feel free to contact us at 763-235-7900.

Sincerely,

Thomas Thao
Executive Director
